## Welcome to Parkview, from SafeParkview

Parkview residents are working hard to make a safer suburb. Our goal is to eliminate all violent crime. To do this we have launched SafeParkview, a non-profit section 21 company controlled by the residents themselves. SafeParkview provides pro-active vehicle patrols that stay on our streets 24 hours a day 7 days a week. It also offers an armed response service connected to your alarm.

It's a new way of taking control of our safety and security which means all the residents in the suburb working together and pooling their resources. Our members receive armed response services, "meet and greet" and medical emergency services through ER24, all through safeparkview.

## What do you need to do?

1. Please complete the following documentation which can be downloaded from our website:
  - i. SafeParkview membership form and debit order.
  - ii. 24/7 Monitoring and Response Agreement.
  - iii. Cell react (panic) form.
2. Email the documents to us at [safe@parkview.org.za](mailto:safe@parkview.org.za).
3. Please drop the originals off at Postnet in Tyrone Ave, into our box behind the door.

Please note that if the alarm system in your house is not already connected to the SafeParkview service you will need to purchase a new radio (cost R1040 plus VAT). Note: if more than 1 radio is required the additional cost is R690 per radio.

## How much does it cost?
