

January 2020

Dear Parkview Residents

A very happy 2020 to you all. We trust that you have had a good start to the year. Please find attached a list of the events that will be taking place and may impact on the Parkview Community in some way, for both Parkview Junior School (**PVJ**), located in the block surrounded by Ennis, Tyrone and Selkirk Roads as well as Parkview Senior School (**PVS**) surrounded by Dundalk, Dee and Donegal Roads.

We have listed the dates, the events, on which campus they will be taking place and whether they are public events, a single school event or a combined school event. We have also spoken to the noise levels and whether we will be using a starter gun at these events. We hope this will assist you with your planning around transport and taking the necessary precautions for your lovely pets! Please note that the event times do not include the set-up before and break-down after. These events and times are also subject to change and we will do our best to communicate any of these changes.

Please kindly join us for our public events highlighted in yellow. By doing this, you help us raise the necessary funds to maintain these beautiful heritage sites that are a place of pride in your community, but you are also helping subsidise the underprivileged children attending our schools. We will post more detailed information on these events in the PRA newsletters, closer to the time.

We would also like to take this opportunity to invite the Parkview Residents who are running businesses in our area to please consider coming on board as sponsors at our public events and for our community to consider sponsoring bursaries for our students. Anyone willing to do so will receive a Section 18A certificate that can be used for tax deductions. Should you require any further information on any of the events or sponsorship opportunities, please feel free to contact Caryl Kelly on 083 268 4441 or email caryl.j.kelly@gmail.com.
